CHAMBER OF COMMERCE MIGHT LOCATE SYRUP

Porty or Fifty Eastern Wholesale Dealers Will Buy Houston county Potatoes, Says Smith & Morgan—Organ. ined Effort Necessary.

With an excellent opportunity of locating a syrup refinery here and arrangements having been made to sell Houston county po-Mr. and Mrs. Brock tatoes to forty or fifty large wholesale dealers in the East, i is believed by many that now is the most opportune time in the history of Dothan for a Chamber of Commerce to get in some really effectual work, in the opinion of several leading business men. Smith & Morgan have been working upon the project of locating a syrup refinery in Dothan; it being understood that Atlanta financiers are interested in the project, and it was through a story that appeared in the Saturday Evening Post, at the suggestion of Smith & Morgan, that plans may be perfected Eastern wholesalers to market a large potato crop in this connty, provided local facilities are arranged.

Having gone as far as they can into these two propositions, both cial welfare of Dothun and this section, Messrs: Smith & Morgan are more than willing for some local organization of business men to take up these two propositions and see them through successfully.

Now that the initiatory work has been done in two highly important undertakings, they would Miss Heard will return to Doin all probability be carried thun, through successfully with organiz<mark>ed effort.</mark>

is the time to act, it is said.

The syrup refinery project would mean a great deal to Dothan, and this, it is believed, if handled by a Chamber of Commerce or some similar organization, could be engineered to suc-

Leave For New York To Buy Dress Goods

Mr. and Mrs. J. T. Brock of the Saxon-Heard Dry Goods Co., a leading store dealing in dry goods and clothing for women, will leave tonight for the East to buy a supply of the latest New York offerings.

"Mr. and Mrs. Brock will go from Dothan to Savannah by rail, where they will depart on the steamer City of St. Louis for New York. In the metropotis they will be joined by Miss Eva Heard, who is associated with the same company.

The trio, experts in their lines will inspect all the fashion conof which mean much to the finan-ters in New York City and other Eastern points, before purchasing their Full and Winter supply of Goods. This thorough investigation of the season's newest offerings will enable Dathan tahave the new dress styles simultuneously with the larger cities.

After several days sojorning it the East, Mr. and Mrs. Brock and

stone than the ordinary. And only a triffe more in proportion for the larger sizes. Because the much greater surface of the big tires demand so much more of this most expensive rubber and fabric.

And remember the little more you pay for the Firestone Non-Skid gives you a lot more tread. Ordinary anti-skids contain no extra rubber. You are asked to pay more just for a pattern. No extra cubber, no real skid protection, such as Firestones offer

Take the word of the specialists of the industrytake the record of the Firestone Tires for 15 yearsas your authority that these extras of quality are necessary for real service and true economy.

Less matchal and lower grades are traps to make

The Pirestone organization, the largest in the world specializing on tires, can make and market tires and tubes at a lower cost to you, the user, than any one else in the industry.

The tires and prices prove it beyond argument.
Firestone Tube Prices Give Added Proof of Firestone Savings to You

Firestone is below them all on tubes. WHY?

A tube is good or bad to the eyeand the touch. Quality can and does vary, weight can be and is skimped, but not so radically as in tires. The buyer won't have it. Having to come near meeting Firestone quality in tubes Others must go above Firestone in price

Because, as stated, no one elve t factures and markets as econ

But we are no more proud of giving you the best tube below the others than we are of giving you the beet tire for so little more.

And the proof of appreciation among car owners lies in the fact that their demand for Firsteness last year established 30 per cent more dealers for us and

increased our output 78 per cent.

So compare the tires inside. Compare the prices. Compare the service records among your squaimances—then get Firesones from your dealer.

Mr. J. S. Buntin of Pansey, was n our city yesterday.

Mr. F. P. Garrett went to Pan cy yesterday prospecting, and it ed police lieutenant. DeFord is s probable that he with his excellent family will move to Pansey in the near future. We are torry to lose Mr. Garrett, but Absford's loss will be Pansey'.

Don't fail to come out to the rew Bush building tonight.

PRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the renoval of freckles was wratten by a prominent physician and is us ually so suggested in removing freeldes and giving a clear, beau tiful complexion that it is sold by draggists under guarantee to refund the money if it fails.

Don't hide your freekles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freekles vanishing en

He sure to ask the druggist for the double strength othing it is this that is sold on the mon ev-back guarantee.

B. L. Herring, of Taylor, was here yesterday on business.

WILL BUY MULES.

Steagall and Lightfoot Montgomery will be in Dothan Wednesday and Thursday, July 28 and 29th at Sanders, Vann & Chalker's stables, and will buy mules. Bring your mules to them on these days and get a good price for them.

Count fifty! Your cold head or estarrh disappears. Your clogged nostrils will open, the sir passages of your head will clear and you can breathe freely. No more smuffling, hawking, mucinis discharge, dryness or headaches no struggling for breath at night-

Get a small bottle of Ely Cream Baim from your druggist For Beef, Fork and and apply a little of this fragrant antiseptic eream in your mostries. Semsage. Trout and it penetrates through every air passage of the head, soothing and healing the swollen or inflamed It penetrates through every air
